Welcome!

Wilmer is pleased to welcome you to our family of superior-quality products and excellent service.

Working hard since 1926 to offer you a full line of elite business products and services, Wilmer will help your customers run smarter, more efficiently and cost effectively.

Wilmer

Welcome to Wilmer!

We are pleased to welcome you into the Wilmer family of superior products, customer service and business success. As part of Wilmer, you will find everything you need to succeed.

Serving businesses since 1926, Wilmer is dedicated to providing business documents and services to the trade only. We offer a wide variety of products - customizable to your needs - drop-shipped directly to your customer's door. Headquartered in Dayton, Ohio, Wilmer has a nationwide network of manufacturing and distribution facilities, and Sales Representatives, strategically located around the country to provide optimal customer response. The Wilmer Customer Service Team is equally ready to provide the assistance you need with account setup, product inquiries, pricing, ordering, and more. Our website *4wilmer.com* is an excellent resource for product information, current promotions, and other special offers.

Inside this folder, you will find information on Wilmer's most popular products, including Pressure Seal Mailers, Financial Checks and Forms, Solutions for the Healthcare Industry, Compatible Filing Products, Envelopes, Custom Labels, as well as Presentation Folders and Custom Products. You will see how *Wilmer works to help you succeed.*

Again, thank you for joining Wilmer. We think you'll find your experience with Wilmer to be pleasant and profitable! As you begin your journey, remember that we are available any time you need us.

▸Built-in security features

8.5″ x 14″ Checks & Forms
▸V-Fold, Z-Fold, EC-Fold, EZ-Fold & ZX-Fold
▸Quantities as low as 500 sheets
▸Built-in security

Built-In Security Features

Chemical Stain: Sensitized paper reacts to chemical attempts to alter check.

Invisible Fluorescent Fibers in Paper: Fibers are revealed under black light.

Microprinting Below Endorsement Area: Line copy reads "Original Document." When copied, the wording is not readable.

Padlock Icon: Indicates check meets industry standard security guidelines listed on back

Screened Check Back: Deters duplication. Screen does not reproduce when copied.

Heat Sensitive Thermochromic Ink: Red Key disappears when subject to heat or touch.

Toner Adhesion: Prevents erasure and tampering with laser printed data.

Photocopy Void: The word "Void" will appear when photocopied.

Security Warning Band Border: The most popular security border available.

Available Imprint Colors

Warm Red	*Blue* (300)	*Green* (357)	*Brown* (471)
Red (185)	*Blue* (314)	*Green* (348)	*Brown* (464)
Orange (151)	*Reflex Blue*	*Pantone Purple*	*Brown* (175)
Pantone Yellow	*Blue* (281)	*Plum* (249)	*Gray* (423)
Process Blue	*Teal* (328)	*Burgundy* (208)	*Black*

VISITOR BADGES

Ideal for any type of office setting that allows visitors in their location. A simple solution that allows those visitors names to remain confidential, while creating a name badge and a log of all visitors for future use.

Booked for ease of use, flip the cover over to protect the next sheet of labels. Labels have a blue outline with a white background in order to clearly see the printed name on the badge.

▸ 10 badges per sheet
▸ 25 sheets per book
▸ 2 books per package (500 badges total)

Suggested Uses:

▸ Schools: Keep track of parents coming in to help in the classroom, cap and gown reps, photographers & more
▸ Offices: Log your customers, vendors and maintenance visitors coming to the office

Unmatched Security and Flexibility

Wilmer's Total Vantage program offers high quality security paper, adhering to the latest ANSI standards (Check 21 Compliant) for image readiness and security features.

3 Tiers of Security

Tier 1 Basic Laser Checks: Our most economical option with 11 security features, multiple pantographs and color options on bright white paper.

Tier 2 Standard Laser Checks: Offering a minimum of 15 security features, along with new hologram security,multiple color and pantograph options and a variety of perforation positions.

Tier 3 Standard Plus Laser Checks: Offering a minimum of 16 security features, includingTrue Watermark, plus over 50 pantographs and border options and 20 colors to choose from.
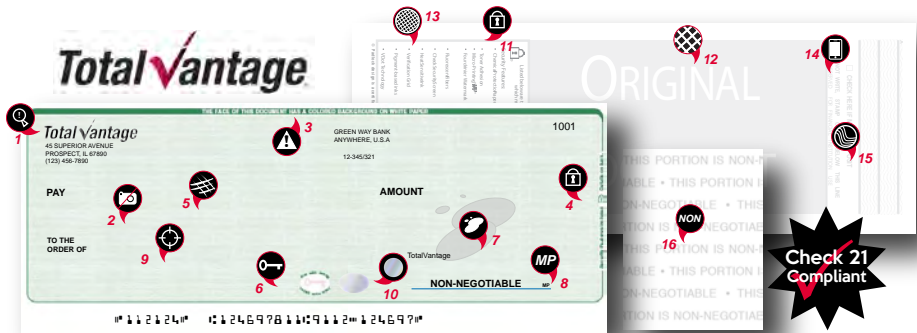

1 V-Dot Technology: Triggers the anti copy chip in most color copiers. When the chip is activated, the copy becomes unusable.

2 Photocopy Void**: The word "Void" will appear when photocopied.

3 Security Warning Band Border: The most popular security border available.

4 Padlock Icon: Indicates check meets industry standard security guidelines listed on back.

5 Invisible Fluorescent Fibers in Paper: Fibers are revealed under black light.

6 Heat Sensitive Thermochromic Ink: Red Key disappears when subject to heat or touch (on back for Standard Plus)

7 Chemical Stain: Sensitized paper reacts to chemical attempts to alter check.

8 Microprinting on Signature Line: Reads "Authorized Signature." When copied or altered, this line is not readable.

9 Pigment Based Ink: Pigment-based ink printed areas will NOT wash away when chemical alteration attemps are made.

10 Hologram***: Three dimensional metallic image fused on paper.

11 Padlock Icon on Back: Lists additional visible and concealed security features.

12 True Fourdrinier Watermark*: A diamond shaped watermark can be seen only when held at a 45 degree angle and cannot be altered or reproduced.

13 Screened Check Back: Deters duplication. Screen does not reproduce when copied.

14 Mobile Check Backer

15 Digital Verification Grid: The verification grid appears on the original and disappears when photocopied.

16 Non-Negotiable Phrase: Secures voucher from alteration.

*True watermark available only on Standard Plus Laser Checks.
**Photocopy Void, optional on Standard Plus Checks, available with Scallop Void on Standard and Stock Laser Checks.
***Hologram available only on Standard and Stock Laser Checks with Scallop Void

Additional Checks and Forms Options

Laser Cut-Sheet Forms: Designed for a variety of business communications, our software compatible forms work with the most popular software titles and versions on the market today.
‣**Standard Plus Laser**: Over 20 PMS ink colors and multiple perforation positions.
‣**Stock Laser Forms:** Background design and color pre-printed with multiple perforation positions.

Continuous Checks and Forms:
Guaranteed to be compatible with today's most popular software packages!
‣**Standard Continuous Checks:** Black imprint, up to 3 parts, warning band border with padlock icon and 12 free security features!
‣**Standard Plus Continuous Checks:** 16 ink color options, over 50 different background designs, 59 different border desings, up to 3 parts, multiple perforation positions and 11 freee security features!
‣**Standard Plus Continuous Forms:** Choose from over 150 layouts, multiple perforation positions, up to 4 parts and 16 PMS ink colors!

3-On-A-Page Checks: Available as single or duplicate in several styles, colors and background pantographs. These checks are designed to protect you from fraud with a minimum of six security features.

Compact 3-On-A-Page Checks: These smaller 3-On-A-Page checks use a detailed register instead of stubs for recording transactions.

Pocket Checks: Ideal for the business traveler, offering a portable record-keeping solution.

Pegboard, One-Write System: With this one-step system, users write a check once and eliminate all of the duplicate entries and transposition errors. No entries in check stubs or registers required and no envelopes to address.
Ten specialized systems available

‣Accounts Payable	‣Gift Certificates
‣Accounts Receivable	‣Medical Receipts
‣Cash Disbursement	‣Payroll
‣Cash Disbursement/Payroll	‣Personal Check-Writing
‣Cash Receipt - OTC	‣Rental Receipts

Manual Voucher Checks: Wilmer voucher checks are a simple, yet flexible solution to small business needs. With designs for payroll, accounts payable, or general business, these checks make record keeping easy.
‣3 designs to choose from
‣2 or 3 part checks
‣7 standard security features
