

Prescription Program

Featuring Standard-Secure
Prescription Pads, Laser
Sheets and Thermal Rolls.

Authorized Distributor
for Wilmer, a
Washington Approved
Security Printer

Meets State guidelines and approved to print in: CO, DE, FL, IN, KY, ME, NJ, WA, WV & WY. Exceeds Federal guidelines in all other states.

Meeting and exceeding regulations

We are an approved Security printer for prescription pads, books and laser sheets, meeting or exceeding all State and Federal regulations for both Medicaid and controlled substance prescriptions.

Competitive Product: Includes multiple security features in each of the Medicaid categories:

- Rx red thermochromic ink easily identifies original; fades with heat
- Blue or green scallop background
- Security watermark on back in coin-reactive ink
- Color void pantograph on front*
- Chemical protection paper
- Microprint in border line
- Batch and sequential numbering available (upcharges may apply)
- Security feature listing
- Preprinted prescriber information

MEDICAID Compliant

- Tamper-Resistant Pads and Books
- Competitive Pricing
- Custom pads & sheet orders accepted
- Competitive Order Quantities: Minimum 4 pad orders accepted on 1-part! Minimum 9 book orders are accepted on 2-part
- Available in 1-Part Pads (100 sheets/pad) and 2-Part Books (50 sets/book)
- Two-Color Logo Available (on non-numbered pads/books – upcharges may apply)
- Convenient Pocket-Sized Pads: 4 ¼" w x 5 ½" h (vertical)
5 ½" w x 4 ¼" h (horizontal)

*One of the most popular security features, the hidden message VOID technology, is also the most likely to fail. Manufacturers of the VOID can't keep up with the ever changing copier and scanner technology in today's world. That's why we layer on the security in our prescription pad stock to eliminate the ease of copying our products and leaving your customer at risk for counterfeiting. One of the best security features is the thermochromic ink that you can find on many of our stock products. This fades with heat and is impossible to copy. For best results, the recommended colors are PMS 281 Blue, PMS 249 Plum, PMS 357 Green or PMS 175 Brown. The best pantographs to use are 923 Camo or the 008 Scallop Voids.

Prescription Program

Fight Against Fraud!
